

Final Submission Checklist

LMS Requirements

- ☐ AI acknowledgement completed.
- ☐ Presentation slot booked.
- ☐ One zip file only.
- ☐ Zip is under 250 MB.
- ☐ Both students submit if required.
- ☐ GitHub repository link included.

Code

- ☐ Source code included.
- ☐ `node\_modules` excluded.
- ☐ `.env` secrets excluded.
- ☐ `.env.example` included.
- ☐ README included.
- ☐ APK/build included or build instructions included.

Evidence

- ☐ Screenshots of app functionality.
- ☐ Screenshots/videos of testing results.
- ☐ Jest result screenshots, at least 3 each if required by marker.
- ☐ Firebase Test Lab screenshots/logs, different device per person if possible.
- ☐ GitHub commits and branches from both contributors.
- ☐ Sprint boards, user stories, and testing tasks.
- ☐ Team communication evidence.
- ☐ Backup demo video.

Documents

- ☐ User manual.
- ☐ Testing and deployment report.
- ☐ Presentation script or demo notes.
- ☐ Firebase Test Lab evidence notes.
- ☐ AI acknowledgement draft retained for your own reference.

Presentation

- ☐ 3-minute app demo rehearsed.
- ☐ 1-minute testing/Git evidence rehearsed.

- ☐ 1-minute code explanation rehearsed.
- ☐ Both members can answer architecture, testing, Firebase, SQLite, sensor/GPS, background task, and notification questions.
- ☐ Student card/photo ID ready.
